

# H-Block Rooftop Support Systems

The H-Block Rooftop Support Systems are pre-assembled for easy installation, and suitable for most types of roofing material or other flat surfaces. The H-Block is ergonomically designed for easy handling and installation and made from 100% recycled rubber.

- Compatible with most rooftop materials
- Dampens vibrations
- UV Resistant
- Made from 100% post-consumer products 
- Corners coated with high visibility ANSI Orange #2535.1-1998
- Resistant to freeze and thaw (ASTM D1171 Modified)
- ASTM D575 Method B-Modified Compression/Deflection Testing
- Patented Design

Base Model	Height	Width	Base Length	Weight (Lbs)	Uniform Load Capacity	Safety Factor
H-Block Standard	4" (101mm)	5" (127mm)	10 7/8" (276mm)	4.8	2,500	2.0
H-Block Mini	4" (101mm)	5" (127mm)	6 5/8" (168mm)	2.5	400	2.0
H-Block Mega	4" (101mm)	12" (305mm)	12" (305mm)	14.8	7,500	2.0

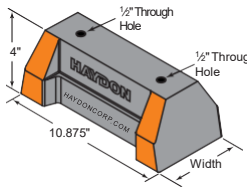

## APPLICATIONS

- Pipe & Conduit
- Duct Work
- HVAC Systems
- Cable Tray Systems
- Roof Walkways
- Solar Racking
- Single Pipe
- Inclined Condensing Grids

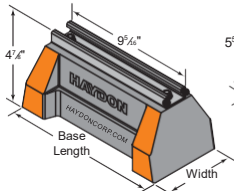

## FINISH

Hot Dipped Galvanized.....ASTM A-123

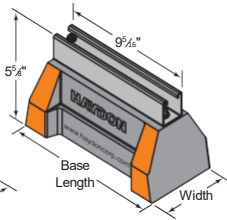

## H-BLOCK STANDARD

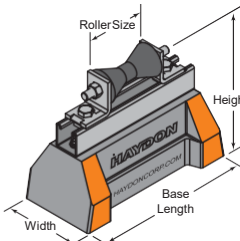

**HBS-Base Only**

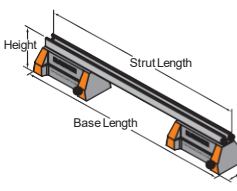

**HBS-5 Series  
(164 PG)**

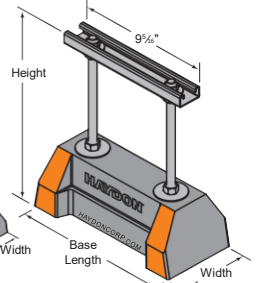

**HBS-Series  
(132 PG)**

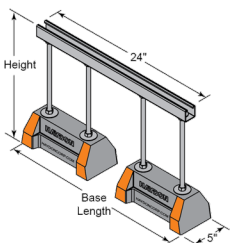

**HBS-R Roller  
Series**

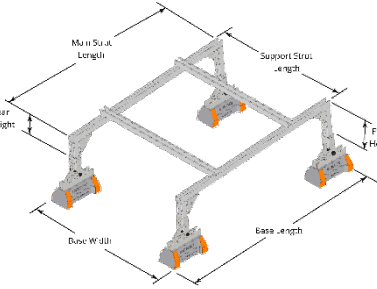

**HBS-CB Bridge  
Series**

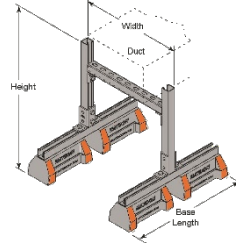

**HBS-CE Extension  
Series**

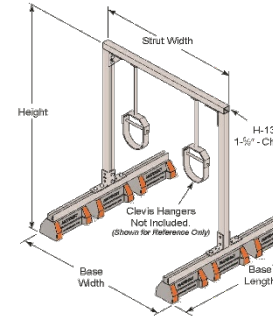

**HBS-CES Series  
Light & Heavy Duty**

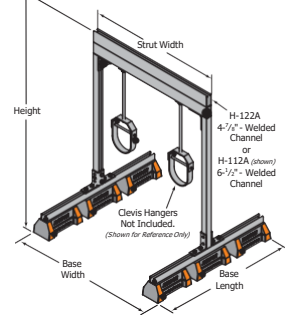

**HBS Inclined  
Grid Series**

**HBS-DSFW Fixed or  
HBS-DSAW Adjustable  
Duct Support**

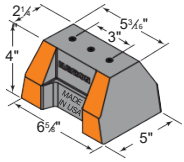

**HBS-PH Pipe Hanger  
Support Series**

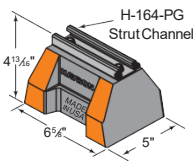

**HBS-PH  
Welded Pipe Hanger  
Support Series**

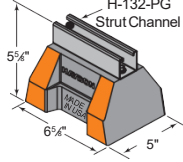

## H-BLOCK MINI

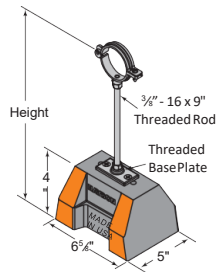

**HBM-Base Only**

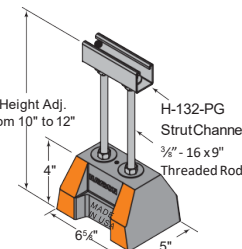

**HBM-5 Series  
(164 PG)**

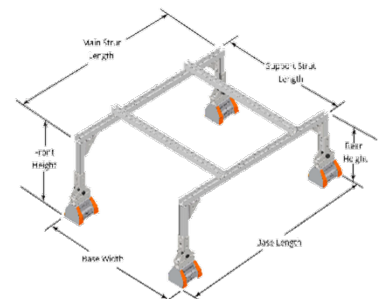

**HBM-Series  
(132 PG)**

**HBM-Hinged Pipe  
Clamp Series**

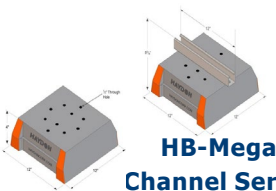

**HBM-Extension  
Series**

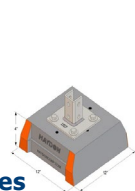

**HB-Mini  
Inclined Grid Series**

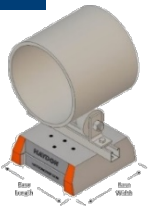

## H-BLOCK MEGA

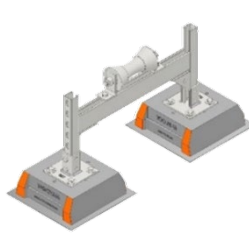

**HB-Mega  
Base Only**

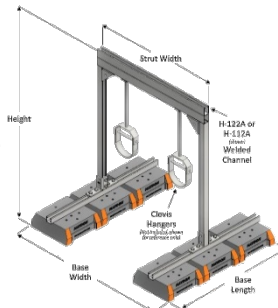

**HB-Mega  
Post Base Series**

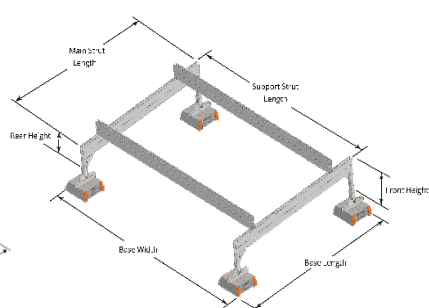

**HB-Mega-R  
Roller Series**

**HB-Mega-CES-R  
Roller Series**

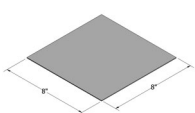

**HB-Mega Pipe Hanger  
Support Series**

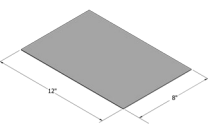

**HB-Mega  
Inclined Grid Series**

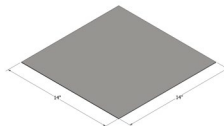

## H-PAD SLIP SHEET

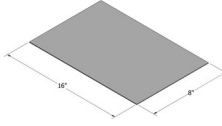

**H-Pad Mini**

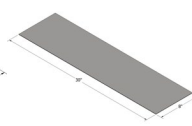

**H-Pad Standard**

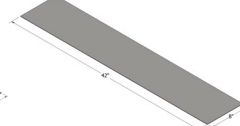

**H-Pad Mega**

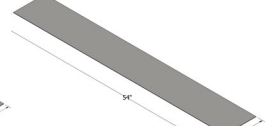

**Universal**

**For 2 Blocks**

**For 3 Blocks**

**For 4 Blocks**

All Slip Sheet are 60 mil in thickness.

Recommended to be used with all H-Block Rooftop Supports. Rooftop support and hardware sold separately.
